Remarks

It's all about the spectacular FULL BAY VIEWS in this tranquil and beautifully renovated island retreat located in the beach to bay community of Sutton Place. This 2 bedroom, 2 bath residence is a true coastal oasis all done up in seaside hues. The gorgeous, remodeled kitchen is open to the living/dining area across an expanse of granite that includes a custom made dining table with lots of storage underneath and seating all around! Porcelain tile flooring makes the journey from one room to another a seamless and beautiful transition. These smart owners have converted the lanai into finished square footage and it is the perfect spot to enjoy a morning coffee or an evening beverage while watching the fish jump or the birds fly by. They also upgraded to IMPACT RESISTANT SLIDING DOORS AND WINDOWS throughout. The Primary bedroom has this same gorgeous view and a renovated ensuite bath. The once walk-in closet was converted to a small office space, (which could easily be changed back) but it's current use is rather genius. When guests are not in town, the 2nd bedroom is another tranquil space to enjoy. Did I mention this is a 2 pets friendly community?! Sutton Place also offers its own PRIVATE BEACH CLUB and includes an abundance of amenities including 2 pools, a clubhouse.
